Here..Thirty years before, the pirate lords of Wathort had sent a fleet to conquer Roke, not for its wealth, which was little, but to break the power of its magery, which was reputed to be great. One of the wizards of Roke had betrayed the island to the crafty men of Wathort, lowering its spells of defense and warning. Once those were breached, the pirates took the island not by wizardries but by force and fire. Their great ships filled Thwil Bay, their hordes burned and looted, their slave takers carried off men, boys, young women. Little children and the old they slaughtered. They fired every house and field they came to. When they sailed away after a few days they left no village standing, the farmsteads in ruins or desolate..of rock and earth. The book convinced him that all of them were only shadows or hints of a greater mastery. As one true element controlled all substances, one true knowledge contained all others. Approaching ever closer to that mastery, he understood that the crafts of wizards were as crude and false as Losen's title and rule. When he was one with the true element, he would be the one true king. Alone among men he would speak the words of making and unmaking. He would have dragons for his dogs..had books, the Chronicles of Enlad and the History of the Wise Heroes. From these precious books flowed out of it.
