We're the ideal location to get for the book. And today, your own time to acquire this guide as among the compromises has been ready. "That wasn't gossip," Grace insisted. "I was just telling you that Paul got the swing repaired and rehung." He backed toward the hall door, watching as the fire spread. After lingering until certain that the house would soon be a seething pyre, he finally sprinted along the hall to the front door. "This is for Zelda," Junior said, ramming forward across the threshold with the knife. Vanadium flipped the quarter straight into the air and at once spread his arms, palms turned up to show that his hands were empty. One apartment to the right, one to the left. Junior went to the right, to Apartment 1, where he'd seen the lights come on behind the curtained windows. "Dr. Lipscomb delivered the baby like two minutes ago. The afterbirth hasn't even been removed yet," the nurse informed her. Tom said, "Now I'm going to add a

human touch and a spiritual spin to all this. When each of us comes to a point where he has to make a significant moral decision affecting the development of his character and the lives of others, and each time he makes the less wise choice, that's where I myself believe a new world splits off. When I make an immoral or just a foolish choice, another world is created in which I did the right thing, and in that world, I am redeemed for a while, given a chance to become a better version of the Tom Vanadium who lives on in the other world of the wrong choice. There are so many worlds with imperfect Tom Vanadiums, but always someplace ... someplace I'm moving steadily toward a state of grace." "Well, he was an insurance agent, and numbers are important in that line of work. And he was a good investor, too. Not the whiz you are with numbers, but I'm sure you got some of your talent from him. Again, he cast his line of memory into murky waters nearly four years in the past, to the night of passion that he had shared with Seraphim in the parsonage. As before, he could recall nothing she'd said, only the exquisite look of her, the nubile perfection of her body. He slept outdoors rarely and otherwise stayed in inexpensive motels, boardinghouses, and YMCAs. "Oh," Celestina White replied, "yes, every day. I'm currently engaged on an entire series of works inspired by Bartholomew." "It's partly that," she agreed. "But originally, Daddy wanted Phimie to tell, so the man could be charged and prosecuted. Though he's a good Baptist, Daddy isn't without a thirst for vengeance." Phimie gazed upon the child briefly, then sought her sister's eyes again. Another word, Eleven days had passed since Wally stopped three bullets. He still had a little residual weakness in his arms, grew tired more easily than before he'd wound up on the wrong end of a pistol, complained of stiffness in his muscles, and used a cane to keep his full weight off his wounded leg. The rest of the medical care he required, as well as physical rehabilitation, could be had in Bright Beach as well as in San Francisco. By March, he should be back to normal, assuming that the definition of normal included massive scars and an internal hollow space where once his spleen had been. He'd never had a chance to read this to Perri or to benefit from her opinion. Now, as he scanned the lines of his calligraphic handwriting, his words seemed foolish, inappropriate, confused. Without ceremony or prayer, although with much righteous anger, Junior hoisted the dead musician over the lip of the Dumpster. For a dreadful moment, his left arm tangled in the loosely cinched belt of the London Fog raincoat. Straining a shrill bleat of anxiety through his clenched teeth, he desperately shook loose and let go of the body. "Three hundred and ninety-six of the dead were children under the age of ten," Jacob continued. "A passenger train was tumbled off the tracks, killing twenty. Another train with tank cars got smashed around, and oil spilled across the flood waters, ignited, and all these people clinging to floating debris were surrounded by flames, no way to escape. Their choice was being burned alive or drowning." Succinctly, Edom told Jacob about visiting Obadiah, the magician with the mangled hands. Then: "When we left, I followed Agnes, and Obadiah held me back to say, 'Your secret's safe with me.'" "As I explained, he might have thought I was you," Edom said, staring at the neatly ordered volumes on the nearby bookshelves. He kept a few paperbacks of Caesar Zedd's work in the bathroom, so that time spent on the john wouldn't be wasted. Some or, his deepest insights into the human condition and his best ideas for self-improvement had come in this place, where Zedd's luminous words seemed to shine a brighter light into his mind upon rereading. Rising from the chair and approaching the bed, the detective kept turning the quarter without hesitation. "She was a very sweet girl. Very romantic. Her diary's full of rhapsodies about married life, about you. She thought you were the finest man she'd ever known and the perfect husband." The family didn't exist in anticipation of developments with Barty and Angel, didn't put the pair at the center of their world. Instead, they did the good work, shared the satisfactions that came daily with being part of Pie Lady Services, and got on with life. "She reads too much hard-boiled detective fiction," Nolly said. "And lately, she's talking about writing it." "For the love of God," Junior pleaded, "can't you please give me something for the pain?" If the directory proved to be of no help, Junior would proceed next to the registry office at the county courthouse, to review the records of births going back to the turn of the century if necessary. Bartholomew, of course, might not have been born in the county, might have moved here as a child or an adult. If he owned property, he'd show up on the register of deeds. Whether a landowner or not, if he did his civic duty every two years, he would appear on the voter rolls. "Usually, I throw out a bunch of hocus-pocus, flourishes and patter, to distract people, so they don't even realize that what they've seen was real. They think the midair disappearance is just a trick." She took a deep breath. She lifted her head, straightened her shoulders, and went inside, where a new life waited for her. He did not answer Hound's question. In this case, he was sure that vanity was not a fault, not the result of a swollen ego, but merely healthy self-esteem. That he was irresistible to women wasn't simply his biased opinion, but an observable and undeniable fact, like gravity or the order in which the planets revolved around the sun. The terror he hid from her vanished with the recital of their vows. He knew from their first kiss as husband and wife that this was his destiny. What a great adventure they'd had together these past twenty-three years, one that Doc Savage might have envied. No mystery here. No reason to leap to the ceiling and cling upside down like a frightened cartoon cat. "Then I'll attend to everything right away," the doctor said, reaching for the privacy curtain that surrounded the ER bed. Tom Vanadium rose to his feet and, with one hand on Barty's shoulder, he surveyed the faces of those gathered on the porch. Most of these people were such new acquaintances that they were all but strangers to him. Nevertheless, for the first time since his early days in St. Anselmo's Orphanage, he'd found a place where he belonged. This felt like home. On hearing of Bartholomew's-and/or Celestina's-death, Neddy would be on the phone to the police, pointing them toward Junior, in twelve seconds. Maybe fourteen. Shortly after four o'clock, here was Neddy, already spiffed for work in black tuxedo, pleated white shirt, and black bow tie, with a red bud rose as a boutonniere, standing just inside the open door to Celestina White's studio apartment, holding forth in tedious detail as to the reasons why she was in flagrant breach of her lease and obligated to move by the end of the month. The issue was Angel, lone baby in an otherwise childless building: her crying (though she rarely cried), her noisy play (though Angel wasn't yet strong enough to shake a rattle), and the potential she represented for damage to the premises (though she was not yet able to get out of a bassinet on her own, let alone go at the plaster with a ball-peen hammer). "Not really. I love you, Mommy." He yawned and dropped into sleep with a quickness that always amazed her. And then everything changed in one stunning moment. Changed profoundly and forever. "You can learn em." On Tuesday, less than twenty-four hours after Naomi's funeral, Knacker, Hisscus, and Nork--representing the state and the county held preliminary meetings with Junior's lawyer and with the attorney for the grieving Hackachak clan. As before, the well-tailored trio was conciliatory, sensitive, and willing to reach an accommodation to prevent the filing of a wrongful-death suit. "I get frustrated," he admitted. "Trying to learn how to do things in the dark ... I get peed off, as they say." able to reconcile these opposed forces, she was all but paralyzed by indecision.
